

Post-Graduate Training Program Financial Aid Program

Prospective and continuing Staff Therapists for the 2021-22 academic year are eligible to apply for financial aid awards. A new financial aid application is required each year in order to be considered for an award. **This application is for applicants to the incoming Post-Graduate Training Program cohort starting Fall 2021.**

We ask that you give an honest appraisal of your assets and needs. The Financial Aid application will be kept confidential and is not linked to your application for admission to the program. Award notifications will be made after applicants have accepted their admission offers to the Post-Graduate Training Program.

Please limit your answers to no more than 500 words total, double spaced, in 12-point type with one-inch margins. To ensure your confidentiality, your application will be separated from the cover sheet before it is reviewed. Please be sure not to include your name anywhere on your application essay.

The financial aid application is due Monday, March 15, 2021. Your financial aid application should arrive under separate cover from your Post-Graduate Training Program application. Submit your completed financial aid application via email to ksduncan@tpi-berkeley.org,* or via snail mail to:

The Psychotherapy Institute
ATTN: K. Sue Duncan (Financial Aid Program)
2232 Carleton St.
Berkeley, CA 94704

Applications will be retained until graduation. We recommend that you retain a copy of your application records for your own files.

***If you email your application and do not receive a confirmation email within 5 business days, please resend your application.**
